Internships

Internship for SEO and Content Writing
at gossipfunda.com
Part-time internship done online for a Lucknow based website
Feb 2020 - April 2020

During my two months internship period with Gossipfunda, I wrote a handful of blogs relating to technology and how to perform various tasks on iPhones. Along with blogs I was responsible to making sure that all the other blogs submitted by bloggers working in the firm has a good SEO score. For that I used to work in Wordpress.
Some of my work at Gossipfunda are:
Graphene Battery Technology
How to set up voicemail in iPhone

Front End Web Development using HTML, CSS and JavaScript
at IT Training Nepal
Kathmandu, Nepal
2018

I worked at IT Training Nepal for a brief 5 months after finishing my higher studies at Global College of Management. Here, I worked with the professional web developers in creating a website for Bhatbhateni Supermarket. Here, I worked with CSS code for most of the time followed by HTML and JavaScript. Although the project got dropped later, I got hands on working experience at one of the best information technology company in Nepal.
